

# THE CAPTAIN'S VOYAGE

Welcome to the Captain's voyage!

This will be a journey of discovery and inquiry as we discuss your native voyage as the captain of your ship that the Lord designed for you.

We will cast off on a voyage fraught with challenges that will promote reflection and introspection. The journey will equip you as a young captain for the voyage of your life and get you comfortable with your personal story and how it fits into the larger story of God's sovereignty.

These sessions are intended to guide you as a high school student into the next phase of your life.

**Discoveries we expect to find along the way:**

**Purpose** – Why you were created.      **Presence** – Who will you become?

**Partners** – Who will you take with you?

**Plan** – Where are you going?      **Path** – How will you get there?

This is a powerful voyage that will empower your high school student from Purpose to Planning. Expect to create successful habits to the joy and excitement of one day hearing from your Savior, “Well done, good and faithful servant!”
